\$855,000 Transfer Scholarships Awarded to 171 BC Students

VICTORIA, BC – 171 students have received Ike Barber Transfer Scholarships worth \$5,000 each to assist them in moving between BC post-secondary institutions.

The scholarships are awarded annually by the Irving K Barber BC Scholarship Society to undergraduate students who have completed at least one year at a public post-secondary institution in BC and are transferring to another degree-granting institution to complete their studies. Scholarship funds come from the returns on a \$15 million endowment established by the province in 2006. The fund is named after philanthropist Irving K Barber who had a long history of supporting public education and research projects in British Columbia before his death in 2012.

“Supporting students who transfer between post-secondary institutions makes their pathway to success more affordable,” said Melanie Mark, Minister of Advanced Education, Skills and Training. “As someone who benefitted by starting off in college and graduating from university, I know the value of transferring credits. Students save time and money to reach their goals! Congratulations to this year’s recipients.”

To qualify for a transfer scholarship, students must have strong grades and demonstrated volunteer service to their school and/or community.

"Access to education is key to navigating increasingly competitive and unpredictable economies", says Rajiv Gandhi, chair of the Irving K. Barber British Scholarship Society. "IKBBC remains committed to facilitating the ability of deserving students to move from one institution to the next in pursuit of knowledge, opportunity, and success."

The Irving K. Barber BC Scholarship Society offers scholarship and education award programs that support BC students attending public post-secondary institutions. The Society recently announced expanded scholarship and award programs for Indigenous students, and for women studying technology. Since 2006, the Society has awarded over \$16 million in scholarships to thousands of BC students.

The Society’s programs are administered by the Victoria Foundation. To find out more about this Scholarship or other Society programs, call 844-478-4645 (toll-free) or visit www.ikbbc.ca
